

Wine List

We have put together a list of wines that we and our customers have tried and loved!

The list is always evolving as we work with our suppliers, James, from Waistcoat Wines based in Quorn and Matt from Francis fine wines in Leicester

We have introduced house wines that are great tasting and value for money

We offer 13 wines by the glass, so you should find one to suit your taste and to partner your meal

If you require any assistance, please ask a member of staff

Enjoy!
